UMBC PREPARED ME FOR MY FUTURE BY:

"Showing me that I am capable of accomplishing difficult things, and providing academic and career resources to help along the way. I have always felt that UMBC cares about each of its students and wants to see them succeed and do well in life."

"Enhancing my professional network and providing a space to interact with and learn from others of diverse backgrounds."

"Being an outstanding academic institution with amazing faculty who are experts within their discipline and champions for student success."

"Providing endless opportunities to learn how to become a leader academically and in student organizations. My professors consistently encouraged me to aim high and expand my potential."

"Offering courses that used real-life examples and situations, and having experienced faculty speak about their own experiences in the field."

"Giving me the knowledge to explore various career opportunities through internships and the application of classroom projects that relate directly to workforce demands."
